Subject: Release of PG Scholarship through DBT-forwarding of attendance by the Institutions on monthly basis-reg.
Date: Tue, 28 Nov 2017 17:06:03 IST

Sir/Madam,

AICTE has been in receipt of several e-mails/grievances from the students indicating that they do not receive the PG Scholarship in time on monthly basis. In this regard AICTE is taking various steps for ensuring timely disbursement of the scholarship. In this connection it is observed from the portal that Institutions/Colleges forward the attendance in bulk/lots for 3-4 months in one lot instead on monthly basis. As per the time frame, Institute/College is required to forward the attendance by the 10th of every month for preceding month.

In view of the above, Principals/Directors/Coordinators are requested to ensure that attendance of the students eligible to receive PG Scholarship is forwarded regularly before 10th of every month helping us in timely disbursement of scholarship.
