

Ve-12841
27/12/18

It has been noticed that posters/notices have been pasted on the walls/glasses in almost all the buildings of the University instead of Notice Boards. The concerned Chairpersons/Branch Officers/ Incharge are requested to take immediate action to remove the notices/posters posted on the walls/glasses to make University poster free. It may also be seen that in future no notice/poster are pasted on the walls/glasses of any building.
