NOTIFICATION

It has been observed that several outsiders often entered the university campus on their two-wheelers and cars and even with weapons sometimes. They also speed-run their vehicles, taking many rounds on the roads near the girls' hostel and as well as in the residential area. In order to check the entry of unauthorized vehicles into the university campus for security reasons and to curb the menace of eve teasing, it has been decided that:

1. Entry of outsiders be banned strictly on the university campus for security reasons and to avoid any case of eve-teasing. However, the guest of the university's students, staff, and faculty may be allowed after proper verification through University Gate No 3 only.
2. Vehicle Gate Pass Stickers for the two-wheelers will be issued to all the university students/ Research Scholars if the vehicle is registered in the name of his/herself / father/mother/ brother /sister. However, if any student is unable to derive two-wheelers on medical grounds, such students may be issued Gate Pass Stickers for the four-wheelers only after producing a valid medical certificate from the Chief Medical Officer of the Civil Hospital.
3. Vehicle Gate Pass Stickers of white color for the four-wheelers will be issued to all the Research Scholars if the vehicle is registered in the name of his/herself / father/mother/ brother /sister.
4. All the students are directed to show their identity cards as and when asked by the security personnel at the entrance of the university as well as on the university campus. All the Chairpersons / In charge of the University Teaching Department and Director HSB are requested to ensure issuing of identity cards to the bonafide students of their department.
5. Identity cards from the passed-out students should be taken back while issuing "No Dues Certificate" so that they may not use their old identity cards to enter the university campus. All the Chairpersons / In charge of the University Teaching Department and the Director of HSB should ensure the same.

All university students / Research Scholars using Scooters, Scooty, Motorcycle, and Car/Jeeps are directed to obtain appropriate Vehicle Gate Pass Stickers before April 30, 2023, failing which their vehicles will not be allowed on campus.
