Subject: - Registration for NPTEL online courses.

The National Program for Technology Enhancement Learning (NPTEL) is a joint initiative from IITs and IISc to offer online courses and certification in various topics to learn and get certificate. The NPTEL platform provide online courses to enhance the learning of the students. Dr. Bhim Rao Ambedkar Library has established a local chapter with NPTEL to facilitate students to avail this facility. The Library has 18,130 structured video lectures of NPTEL that are accessible over Campus Wide Network IP **172.16.254.222**.

These online courses are very useful for the students as Institutions across the country have started offering credits to NPTEL certificates produced upon clearing an examination. Now about 100 students have shown their interest in NPTEL and have registered themselves for the exams scheduled to be held in April, 2019. The last date for the Registration for these courses is 29th January, 2019.

For more details about NPTEL and its Examination schedule, please visit on **<https://nptel.ac.in/>**. Students may seek the help of Information Scientist in the Library room no. 212.

All the Chairperson are requested to bring it to the knowledge of the students and motivate them to join NPTEL online courses.
