

GURU JAMBHESHWAR UNIVERSITY OF SCIENCE & TECHNOLOGY, HISAR
(Established by State Legislature Act 17 of 1995)
‘A’ GRADE NAAC Accredited

EXAMINATION SCHEDULE AS PER UGC GUIDELINE

Guru Jambheshwar University of Science & Technology, Hisar has re-scheduled the examinations as per the guidelines issued by the UGC. University constituted two separate committees headed by Prof. Sandeep Rana, Dean of Colleges and Prof. Usha Arora, Dean Academic Affairs for redrafting of Academic Calendar for Colleges and University Teaching Departments in view of Covid-2019 pandemic. The Committees have given their recommendations and suggested that the examinations can be started from 1st of July, 2020 with the practical examinations and theory examinations can be started w.e.f. 13th of July, 2020 for the final year students, so that the social distancing can be maintained. Both the committees have recommended that mode of examinations will be the same with change in the pattern of the question papers keeping in view the hardship faced by some of the students in completing the syllabi through online mode. The Committees have further recommended that the summer vacations from 15th May, 2020 can be utilized for developing online materials for the students for the next semesters classes as well as for resolving the problems of the students, if required. Project work, Internship can be replaced by two-week online course under the mentorship of teachers which will be evaluated through the online viva or presentation. The examinations for ongoing classes could be held in August. M.Tech. students, will be able to start their project work in the labs w.e.f. 15th June, 2020. The remedial classes/practical's can also be held from 15th June to 30th June. The re-appear examinations of the students of final year will also be held in July. The above recommendations are approved by Vice chancellor subject to time to time directions from State Govt.
